

Land Acquisition Fund

The GCBO Land Acquisition Grant Program

Grant Application Outline

- What projects can be applied for?
Conservation land acquisition projects that focuses on buying native habitat for neotropical birds, threatened and endangered birds, and bird species of concern, that are located in “coastal” counties along the Gulf of Mexico from Florian through Texas.
- Who can apply?
Any proven non-profit NGO that operates in or with partners in a Gulf Coast state in the USA can apply. Each organization will be background checked for previous work and projects completed, etc.
- How much do we grant annually?
Most projects can receive between \$15,000 and \$40,000 (USD). We normally only grant one project per year.
- What is the Grant Deadline?
We must receive your request by June 1st to be considered for fudging in that calendar year.
- How do I apply?
Fill in the outlined form below or follow a similar format to apply.
Email the request to Martin Hagne at: mhagne@gcbo.org

GCBO's Land Acquisition Fund
