Birds in Art: A Spring Fling Art Exhibit

Gulf Coast Bird Observatory and Quintana Beach County Park have teamed up and we want to see your best bird-related artwork! From April 4-30, we are throwing our annual Spring Fling and Spring Nature Celebration events in Quintana, TX.

Each year, millions of birds travel through this migration hotspot and thousands of birders come to see them. In honor of the migration, we will be hosting an art show to exhibit bird art.

We would love to see a variety of art, both in mediums and feel, so get creative! We only request that the art be about birds.

Who are we? The Gulf Coast Bird Observatory (GCBO) is an independent non-profit organization. We strive to help birds through research, habitat enhancement, land acquisition, and education. Visit <https://www.gcbo.org/> to learn more about us.

SUBMISSIONS

Eligibility:

Artists of all ages are welcome! Submissions are limited to one entry per person, due to limited space.

All artwork must be completely original and produced by the artist or artists

Artwork Requirements:

All mediums are welcome, so long as the pieces aren't too heavy/large to be placed on folding tables. Art can consist of photography, sculpture, painting, drawing, fiber arts, and whatever else you can think of! GCBO will not be mounting or framing the pieces, so please submit all art in the form you wish it to be displayed in.

When submitting, please include name, medium, title, and a short description of the piece. If you wish, you may include an asking price to be posted with the piece and contact information for buyers.

Please note that while the exhibit building will be locked at night, it will be open to the public during the day and no staff will be looking after the art.

Submissions:

All entries must be received by March 25, 2020 and dropped off or mailed to:

Gulf Coast Bird Observatory

Attn: Art Exhibit

299 Hwy 332 West, Lake Jackson, TX 77566.

For Questions or concerns please email Celeste Silling at csilling@gcbo.org or call us at:
